

*We craft our
programs with*
the love and
passion of art

Michelle Renfrow is an artist, Jewish educator, and a Licensed Professional Counselor who has worked in both the clinical field and Jewish education for twenty years. Michelle's love of art has spilled over into almost every area of her life and she has created fun and engaging opportunities to teach others! Michelle has been using art therapy with her clients for 15 + years and teaching art to others for over 10!

Michelle offers in-person camps and art experiences, she also hosts live art events and can bring an art experience to your location. Her blogs give you the inside tips and fun stories of being creative every day with your kids, but also just for you!

Every Family Needs Creativity!

Let's get creative together, relieve stress, and ignite the imagination! Enjoy creativity with your kids or on your own! In-person, online or with wine!

JOY

ART

FUN

knitting, painting, jewelry making,
sewing, pencil drawing, hand
lettering, pottery, glass fusing, DIY
body care products, abstract art,
mandala creations, paper art, and
much more!

The sky is the limit!

Take a break from things to have some fun with friends, old and new. Experience something you've never done before or come back to an old favorite. Whatever you decide, we've got you covered on location, setup, participation, and cleanup; we are one-stop-shopping.

Stay safe and socially distanced from the public with a private party or event.

Celebrate a birthday for a kid or a grown-up, mix and match the ages for some serious fun!

Meet up with like-minded Artisans, friends, family members, or total strangers for a day of "arting" !

We bring the joy to you in a safe and fun way or you can come to us!

Try something new or go with an old favorite; either way, our art parties and events are guaranteed to put a smile on anyone's face.

Stay Safe, Stay Home! Sign Up Now! Space Is Limited! Don't Miss The Fun! Private Sessions & Small Groups Available for Private Booking.

- Not ready to venture outdoors yet? Our online programs are perfect! You won't even realize that you're not sitting in a room with a teacher.
- Courses available day or night, week or weekend.
- Our online art classes are a fantastic opportunity for children over the age of six and adults of all ages.
- Our process is straightforward, simply select from the list of online classes we provide and fill out the registration form.
- We'll contact you, set up a day and time, deliver all the materials you need for your class, and get you ready for some virtual art fun!

"I was skeptical about "socially distanced art" — but she made it work and his pottery dreams are coming true."
