Ensuring Healthcare Access for All

@drpaulzeitz

Freedom of the Press Under Pressure

Access to truthful, science-based reporting saved lives!

@drpaulzeitz

Lets Talk About Agricultural Policies and Food Security

**Food is more than
just sustenance—it's
community, culture,
and security.**

@drpaulzeitz

National Security and Civil Liberties

**Dangerous policies would
expand government
surveillance, roll back
privacy protections, and
erode civil liberties!**
