

A warm, golden-hour photograph of a grassy field at sunset. The sun is a bright, glowing orb in the upper right, casting long, soft shadows across the grass. In the middle ground, a group of people are gathered around a picnic table and several wooden chairs. The background is a dense line of trees silhouetted against the orange and yellow sky. The overall mood is peaceful and nostalgic.

Welcome to the weekend everything clicked...

* * Horses. Heartbreak.
* * Four-leaf clovers &
* * one big plot twist!

For forty years...

I searched for one four-leaf clover.

My kids
found
three...

turns out...
they weren't the
real treasure.

Then something hit me...

This wasn't
the treasure.

It was proof
I had finally
recognized it.

✨ ✨ Waiting forty
years for one
four-leaf clover...

...only to realize
I'd been raising
three of them.

☀️ The universe
was never being subtle.

PEOPLE DON'T EXPECT:

Love kept leaving
breadcrumbs.

The horses 🐾
already knew.

I finally
followed
them ❤️

FARM

Turns out...
I wasn't searching
for luck.

I was learning
how to
recognize
love.
