

Let's get proud!

Pride is for everyone. It is not just for LGBTQ people. It is for our families, friends, allies, supporters, work colleagues, businesses, organisations — anyone, in fact, who believes in equality and diversity. We welcome everyone to celebrate the Channel Islands' official Pride with us, whatever your gender, race, age, religious belief, ability, sexual orientation or gender identity.

Join us on Saturday 17th September 2016

and show the world that the Channel Islands are #unitedthroughpride
