

## Product Copy: Creative Recreation Columbia Tee

An unexpected reverse side-zip elevates this longer-length tee to a standout among tailored sportswear. The comfort of cotton jersey combines with a large Creative Recreation wings graphic on the chest to make this t-shirt casual enough for a pickup game. The updated length and left side matte black zipper tell your fellow java-drinkers at the neighborhood coffee house that this is no ordinary shirt. When cooler days arrive, the longer hemline is ideal for layering.
