

MODEL 8107 LIVESTOCK TRAILER

We tried to warn you—the Model 8107 is a stock trailer that captures your attention. Maybe the all-aluminum construction is the cause. Maybe it's because of the innovative design that eliminates wheel wells so your livestock get a better fit! Or you might be imagining which of the countless selection of options would look best when you customize the **trailer to your exact needs, including making the 8107 a combo trailer!**

Whatever the cause, don't worry—you'll be able to walk away soon. Probably.
