

STYLED STOCK

SOCIETY

Hi Alyssa,

We've been busy adding fresh new content to the Styled Stock Society library, and we can't wait to share it with you! Whether you're updating your branding visuals or looking for fresh inspiration, these new additions are sure to elevate your content and keep your brand looking polished and on point. Check out what's waiting for you inside the library!

NEW THIS WEEK

CEO on the Go
COLLECTION

If your brand is about freedom, flexibility, and focused ambition, our [CEO on the Go Collection](#) is your visual power move. This collection is made for the ambitious, on-the-move professional—the kind of CEO who blends creativity with strategy, and coffee dates with client calls. Featuring a cozy cafe, indoor and outdoor greenery, and a bold color palette these images showcase a work-from-whenever lifestyle.

This collection is ideal for:

- Entrepreneurs and small business owners who work in flexible environments
- Anyone who creates content about productivity, remote work, or life as a digital nomad

Showcase stylish living with our [Modern Rental Collection](#), featuring contemporary interiors, warm neutrals, and thoughtfully designed spaces. A soothing palette of warm browns, beiges, and deep rust tones creates the perfect blend of modern functionality with warm, inviting elements. Featuring a cozy bedroom, chic kitchen, and inviting living spaces, these home interior stock photos highlight an urban lifestyle with compact yet sophisticated interiors that balance comfort and practicality.

This collection is ideal for:

- Short-term rental businesses & property managers looking for examples of modern, high-end rental properties

- Interior designers & home stagers who need stylish living space inspiration for mood boards and presentations
- Lifestyle and travel bloggers creating content around rental-friendly lifestyle, living as a digital nomad, or organizing small spaces
